**Serving our Lord Through
Assistance at the Altar**

Welcome Altar Server

Being an Altar Server means serving God and his people at Mass. That is what makes serving Mass worth doing, and worth doing well. As an Altar Server you have a special ministry in the Church. Altar Servers are very fortunate that they have been chosen by God.

The role of the Altar Server is very important because he/she is one of the closest persons to the Altar and to the Priest representing Jesus Christ during the celebration of the Holy Mass and the administration of the Sacraments. The service of the Altar Server is very appreciated by all the parishioners at St. Mary's. Good Altar Servers give their service with major attention and respect.

These guidelines will help you with the things you need to know to serve at St. Mary's. Please read this information carefully, study it, and keep it as a handy reference. Please try to familiarize yourself with these steps of how to serve at Mass and to do a good job while serving at the altar of God.
